

ONLINE CPD ACCREDITED COURSES

The Skills Network is one of the most successful providers of online learning solutions. Our engaging content, authoring tool and learner management platform has over 600,000 users globally, enabling the education sector to transform the way people learn.

CPD overview

As a well-established provider of distance learning within the corporate sector, The Skills Network understands the importance of organisations providing employees with the opportunity to continue their personal and professional development, whilst utilising a cost effective solution.

We have over 40 CPD (Continued Professional Development) online courses which provide engaging content to help develop and progress your employees skills and knowledge. The courses cover a wide range of subject areas from Leadership & Management to Retail & Hospitality.

Courses are offered in bite-sized chunks via online learning to enable efficient delivery and effective learning, courses are auto-marked via EQUAL, our online learning platform which tracks and manages learner progression. Management reports provide detailed feedback on how organisations are investing in staff development.

Benefits for employers

- ✓ Cost-efficient means to upskill your staff
- ✓ Investment in staff development
- ✓ Improve productivity and decrease training costs
