

PPE Suppliers 21 April 2020

<https://www.careshop.co.uk/infection-control/ppe>

Care Shop: Members need to register, there is no charge for registration. As at today's date, there is no requirement to be a care provider to shop with them.

www.delivernet.co.uk/

DeliverNet: Products can be accessed by the public. They do not appear to have a great deal of medical grade PPE but do supply the simple things such as gloves and aprons.

<https://www.countrywidehealthcare.co.uk/>

Countrywide Healthcare: Due to extreme demand they are only working with existing customers with memberships.

<https://nexongroup.co.uk>

Nexon: Taking requests for products but cannot guarantee what will be available and when.

<https://www.gompels.co.uk>

Gomples: Only supplying pre-existing customers. PPE that is in short supply will be offered to those who need it most first.
