

PPE Suppliers as at 29/04/20 *

Care Shop: www.careshop.co.uk

Members need to register. Registration is free. There are no requirements to be a care provider to shop with them.

DeliverNet: www.delivernet.co.uk

Products can be accessed by the public. Do not appear to have a great deal of medical grade PPE but do supply the simple things such as gloves and aprons.

Countrywide Healthcare: www.countrywidehealthcare.co.uk

Due to extreme demand they are only working with existing customers with memberships.

Nexon: www.nexonhealthcare.co.uk

Taking requests for products but cannot guarantee what will be available and when.

Gomples: www.gompels.co.uk

Only supplying pre-existing customers. PPE that is in short supply will be offered to those who need it most first.

The Safe Supply Company: www.thesafetysupplycompany.co.uk

Many items in limited stock.

Baca safety: www.babasafety.com

Recommend calling ahead to place an order due to potential supply issues

Fluid: www.fluidbranding.com

Able to supply N95 & FFP2 face masks, face shields, safety glasses, disposable latex gloves, nitrile gloves, medical grade thermometers, high alcohol (70%+) hand sanitizer
