

BUNTING TEMPLATE FOR YOUR SPECIAL DAY!

It's always lovely to see bunting dancing in the wind during special occasions. They add a touch of sparkle to any event and create a special atmosphere.

If you are thinking of using bunting we thought you might like a helping hand so we have created some template ideas. Some with and some without our 75th anniversary logo on.

All you have to do is photocopy the pages and cut them out or just use the template to design your very own bunting!

Once you have cut out your bunting simply fold the top over some string or brightly coloured ribbon and paste to secure and bingo, you have a striking bunting banner to complement your other party decorations!
