## What Our Residents Say

I just feel very privileged to be living here in Mariners' Park.

Mariners' Park is tranquil and peaceful as soon as I enter the park I feel safe and secure. Great views from the park and gardens are kept immaculate.

I have been a resident of Mariners' Park for over nine years. It is a fantastic place to live, a haven on the banks of the Mersey. I wouldn't want to be living anywhere else.

Here on the park you can enjoy the company of the other residents and become involved in the various activities on offer or if you prefer you can stretch out on your sofa and enjoy a good book.

Peaceful, Quiet and Secluded, A good atmosphere.

A lovely setting, we have very good gardeners who keep the grounds looking good throughout the year.
